**Start Dates** – The ELS Language Centers curriculum is organized into 4-week sessions. For that reason, we strongly recommend that students make every effort to begin their studies on a regular Start Date and study a minimum of four weeks. That way they will receive a full orientation and complete the full 4-week session. However, we recognize that students are not always able to arrange their travel around our schedule; therefore we will accept students for a minimum of two weeks, and they are able to begin their program on the second or third Monday of a session. Counseling representatives must inform these students that they are starting on an irregular date and that they will be joining classes that have already been together for a while and that they may not complete the full 4-week session. **We do not accept new students in the fourth week of a session.**

We are always happy to answer any questions you may have about Start Dates and students beginning on irregular dates. Please feel free to contact us at: [info@elscanada.com](mailto:info@elscanada.com).
